

PNEU-KNEE PK-400: ADJUSTABLE AIR-SUPPORT KNEE BRACE WITH 3.5MM THICK AIRPRENE AND MALLEABLE STAINLESS STEEL SIDE BARS

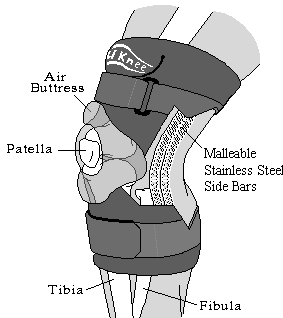

Fully Adjustable Baiwa braces allow you to regain heightened levels of activity, faster, with more confidence and less pain than ever before possible. Clinically proven and comfortable to wear, these hand-crafted braces are Made in the USA using only the finest materials, providing years of lasting, adjustable support.

Introducing Your Pneu-Knee With a patented Pneumatic Air-Bladder Support System, and Airprene material, the Pneu-Knee provides maximum, fully adjustable support with less sweat, and is clinically proven to prevent injury and speed post-operative recovery.

Pneu-Knee adjustable air-support allows you to regain heightened levels of activity, faster, with more confidence and less pain than ever before possible. Strong enough for strenuous rehab and competitive sports participation, it's also light and comfortable enough for daily use. But don't take our word for it...please visit our web site and see what others are saying about this revolutionary new brace and **get yours today!**

U.S. Patent # 5383843

AIR INFLATION SYSTEM

**PK-400
MALLEABLE
STAINLESS
STEEL SIDE
BARS**

FEATURES:

- **Adjustable Air Pressure System**
- **Malleable Stainless Steel Side Bars**
- **Breathable, Lightweight 3.5mm "Airprene" Material Reduces Moisture and Heat Buildup**
- **Engineered Dual Air Bladder with Patella Hole Design Allows for Better Biomechanical Function of the Patella and its Quadriceps Mechanism**
- **Fits Both Right and Left Leg**
- **Sizes: XS, S, M, L, XL, XXL**
- **Colors: Black, Teal, Blue**
- **Quality Construction**
- **The Exact Popliteal Darting System Produces a Comfortable and Contour Fit**
- **The Air Support System Reduces Brace Migration**

ADVANTAGES:

- **Exerts Pressure Around the Patella for Stability and Relief of Pain in Many Cases**
- **Provides Impact Protection for the Knee During Active Sports**
- **Reduces or Eliminates Taping and Strapping Needs**
- **Aids in the Correction of Patella Mal-Tracking**

Made with "Airprene" (Perforated Neoprene)
